

THE ECORESPONSIBLE EVENT

AT THE C.I.D

Lower the carbon borrowing of your event

Sustainable development is at the heart of the development strategy of the Center International de Deauville. Led by the quality department of the C.I.D, our teams integrate the concept of «eco-responsibility» into each of their actions. They are trained to support you in your efforts to promote the environment. The C.I.D is ISO 20 121 certified.
